Dear Sirs,

I have to acquaint you that I am to-day in receipt of a letter from the Norwegian Consulate General in this City regarding the new Steamer "IMA", Messrs. Wm. Doxford & Sons' No. 608, reading as follows, viz:-

~~The above named vessel is being built to your~~
"classification at Sunderland and is stated to be now ready".
"I shall be grateful if you would kindly inform
"me when the class has been granted as this is required before I
"can issue the Certificate of Nationality".

The Consul General has been informed that as soon as the vessel has been classed he will be advised, and I shall be glad if you will be so good as to let me know when you expect to be able to forward your First Entry Reports on the hull and machinery.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,
SUNDERLAND.

Secretary.
