Hamburg, 17th October 1933.

Dear Sir,

In reply to your letter of the 6th instant re the case of the m.s. " I M A " I have to state that the vessel arrived at this port during the week end and left again today for Taleuten which is in the Antwerp district.

The Owners' representatives Messrs. Derutra advised us, that owing to the short time of stay of the vessel at this port nothing could be done to advance the survey but the vessel is to after leaving Taleuten proceeding to Rotterdam and will be dry docked at that Port and arrangements could be made to advance the survey on the oil engines at that time.

I am, Dear Sir,

Yours faithfully
