

8 - JUN 1964

Ship's name "APJ ASHWINI" Port BOM No. 16213  
Last survey date 15.5.64  
Class is subject to

Windlass steam cylinder block (Metalocked), crank-shaft pinion and drum shaft gearwheel being renewed at Special Survey and before the end of 5.64.

SRL Item. At the request of Owners, windlass repairs examined with a view to permanent repairs being deferred until lay up period for Special Survey or scrapping of the ship. Windlass now examined in the assembled condition and tested out under working conditions and found to continue efficient. It is now recommended that the windlass steam cylinder gearwheel be renewed before Special Survey and by 8.64 (3 months) considered efficient meantime.

IT IS SUBMITTED that this vessel is eligible to remain as classed, subject as above as now amended, and as now recommended.
