

6th January, 1961.

AMSTERDAM

23869, 70 - As recommended.

33832 "SUNETTA" - As recommended.

It is concluded that the drillings furnished at this time have been obtained By the Ultra Sonic testing method and that check drillings have been made in accordance with Circular No. 2111 (2) and I shall be glad if you will furnish particulars of the check drillings for reference purposes.

"STRAAT MADURA" Reverting to my letter of the 16th May last, the Surveyors at Newcastle, N.S.W., have now reported that this ship was under survey in October when a General Examination was carried out with a view to a postponement of the Special Survey being granted. As a result of this inspection the Committee have agreed to the completion of the Special Survey being postponed until September, 1961, and I shall be glad if you will inform the Owners accordingly.
