QUESTION

ANSWER

I shall be glad to know what arrangements the Owners' propose making for the Donkey Boiler Survey, which became due at the end of October last, to be carried out.

At the same time I would point out that the ship has not been seen in drydock by the Society's Surveyors since October, 1958.

Date:— 19-1-1960.

Owners inform us that the vessel was seen in drydock at Singapore in November/December 1959, on which occasion the Donkey Boiler Survey was also held.

At the same time Owners state that the ship will probably be taken out of commission and laid up in the near future.
