Dear Sirs,

m.s. "APANUI"

In reply to your letter of 7th September,  
reference the above vessel, we regret we cannot give  
you anything definite on the disposal or repair of same.

The vessel is still moored in Avatiu Harbour,  
Rarotonga, and the general condition of the vessel has  
deteriorated further since our last letter. To the best  
of our knowledge no maintenance of any kind has been  
carried out on any part of the vessel since being moored  
some twenty months ago.

We have asked the owner what he intends doing  
about repairs or disposal and he will not make a definite  
statement. We also approached the Harbourmaster and Collector  
of Customs for the Government's present attitude and learned  
that the matter is currently being discussed by the Owner's  
Lawyers and Government.

Sorry we cannot be more helpful but will inform  
you immediately of any action by the Owner or Government to  
remove this vessel.

Yours faithfully,  
For A.B. DONALD (C.I.) LTD.

Signed J. Collingwood
