Dear Sirs,

S.S. "NINA"

With reference to my letter of the 8th January, I shall be glad to learn whether you are yet able to state your intentions regarding the Main Boiler Survey.

At the sametime I would remind you that the Special Survey requires to be completed by the end of next month, and your intentions regarding this inspection will also be appreciated.

I take this opportunity to point out that the Screwshaft Survey will become due at the end of April.

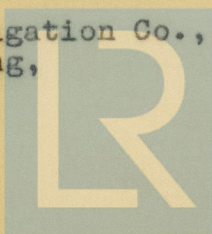

I shall be glad if you will kindly forward a copy of your reply to the Society's Local Surveyors.

Yours faithfully,
