22nd October, 1928.

Dear Sirs,

M. With reference to your freeboard report on the s.s. "JONGE JOHANNA"; I have to inform you that as this vessel is fitted with a tonnage opening in the superstructure deck the freeboard particulars should be reported on Form 11b and not 11c. I shall be glad if you will therefore forward an amended report giving full particulars of the hatchways on both superstructure and 2nd decks, and full particulars of freeing ports and scuppers. You should also give the sheer of the 2nd deck at each eighth of the vessel's length in view of the fact that this sheer is not of usual standard form.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

ROTTERDAM.
