S.S. "YEWFOREST" Classification Certificates.

We are in receipt of your letter of 3rd instant with the Hull and Machinery Certificates enclosed and we note that fifteen fathoms of Cable are required at the conclusion of the present emergency. This will be attended to.

Regarding the ship's bottom in way of the machinery space, we hope to have this ~~surveyed~~ ^{RENEWED} when the vessel is in for her annual Survey in 1948.

Yours faithfully,
