QUESTION

ANSWER

I shall be glad if you will obtain from the Owners and let me know what arrangements they propose making to carry out the Boiler Survey which is due at the end of April.

I shall also be glad if you let me know their intentions regarding to this vessel being taken in drydock, as it would appear from the records in this office that she has not been seen in drydock by the Society's Surveyors since April, 1953.

Date:—

The Owners state that the above vessel will be dry docked about the end of August, 1954 when overdue surveys will be carried out.
