Dear Sir,

[Signature]

We have to acknowledge receipt of your letters regarding the capacity of the forward deep tanks on the Steamers "Henry Deutsch De La Meurthe" and "Emile Deutsch De La Meurthe".

In reply to the enquiries contained therein we have to inform you that the capacity of the forward deep tank on each of these vessels should be --322 tons not 161 as recorded on first entry reports Nos 3161 & 3170 respectively.

We very much regret this error.

Yours very truly,

The Surveyors
