sn(S) Dear Sirs,

JS I duly received your memo of the 28th ultimo from which it is noted that the trawler "VAN DER WEYDEN" will be stopped for docking and Screwshaft Survey on the 15th July.

The Committee have approved this arrangement but I shall be glad if you will impress upon the Owners the necessity of strict compliance seeing that she has not been seen in drydock by the Society's Surveyors since July 1954 and has thus reached the maximum interval between dockings permitted by the Rules.

Yours faithfully,

Clerk to the
Classification Committee

The Surveyors,
ANTWERP.
