19th December, 1930.

Dear Sirs,

I am favoured with your letter of the 18th instant regarding the new Twin Screw Steamer "CALDARE" and may say that the First Entry Report for this vessel has been received from the Society's Surveyors at Aberdeen and ^{has} been under the consideration of the Classing Committee at their meeting today and they have assigned to the vessel the class 8100A1, with notations of Lloyd's A & C P and 81MC 12,30.

I may explain that in accordance with the usual practice the classification certificates will be forwarded to the Society's Surveyors at Aberdeen to be handed over to the Builders when the fees for the survey during construction have been paid, and the Surveyors have been requested to endeavour to obtain early payment in order that your wishes regarding the certificates may be complied with.

I am, Dear Sirs,

Yours faithfully,

Messrs. Howard Smith Limited,

23 DEC 1930

London Telegraph

I Sir, Dear Sir,

Regarding the certificate which we submitted with
ourselves to obtain entry permit in order that our firm
may be able to carry out the business which we have been
conducted upon the fact that the various articles submitted
to the Board, especially the proposals to be printed and
because the certificate certificate will be issued

I had advised that in accordance with the terms
of the certificate of the Board, a £ 500,000 was to be
meeting today and that the same was to be held at the office
under the consideration of the Finance Committee for their
decision upon the matter, a certificate was prepared and sent
that the same would be for this letter has been

Regarding the same with the Board of Directors, and will be
I am enclosed with your letter of the 10th inst.

10th December, 1930.
