Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

1st March, 1922.

Dear Sirs,

I have to confirm the following telegram which have passed between us respecting the steamer "SOPHOCLES",

SENT:- OWNERS ASKING FOR REFRIGERATING CERTIFICATE
SOPHOCLES STOP WIRE TO WHOM CERTIFICATE SENT YOU TENTH
FEBRUARY HANDED OVER AND ON WHAT DATE. COMMITTEE

RECEIVED:- REFRIGERATING CERTIFICATE SOPHOCLES RETAINED
HERE PENDING PAYMENT FEES. SURVEYORS BELFAST.

In connexion with this case I have to say that as it is essential that in each instance the certificates for Refrigerating Machinery should be on board before the vessel sails, it is not the practice to retain these documents awaiting payment of fees and I shall be glad if you will be guided accordingly in future.

As the vessel is leaving this port to-day, a fresh certificate has been handed to Messrs. Geo. Thompson & Co. of this City.

I am, Dear Sirs,

Yours faithfully,

Assistant to the Secretary.

The Surveyors,
BELFAST
