Dear Sirs,

Motorship "LOTORIUM"

The Society's Surveyors at Singapore have reported that this ship was under survey in January last when an examination was carried out in dry dock and considerable wastage of the plating was found.

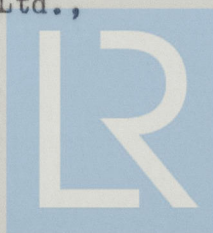

The Surveyors state that you decided to discontinue the survey without any repairs being carried out and to remove the ship to the Singapore anchorage for laying up.

I shall be glad if you will let me know in due course your intentions concerning the vessel's future.

Yours faithfully,

Deputy Clerk to the
Classification Committee.

Messrs. Shell Tankers, Ltd.,
Ibex House,
Minories,
