Dear Sirs,

Motorship "ORESTES"

With reference to the recommendation contained in your Report No. 10254, the Owners now state that one anchor (Certificate No. 76626) was despatched to your port from Birkenhead on the 24th May, and they feel sure that this has now been placed on board.

In view of the fact, however, that no report has been received to this effect, I shall be glad if you will kindly let me know whether an opportunity has yet been afforded for the verification of the above anchor.

Yours faithfully,

pro Clerk to the
Classification Committee.

The Surveyors,
SINGAPORE.
