

Motorship "ORESTES"

4171

The Owners of this ship have recently indicated their intention of classing her with this Society (See correspondence in Classification Department, S.500)

It will be necessary for the ship to be seen in dry dock and for a General Examination to be held, which Examination should include an Annual Classification Survey under the B.C. Rules and the examination of any items noted on the attached statement.

Pending the receipt of a report of Docking Survey it is submitted that a notation of "B.S. (Class Pending)" be inserted in the Register Book.

Insert in S.R.L.:

~~extended Survey case.~~
