Enclosure

26th November, 1952.

sn(S)

Dear Sir,

I have your letter of the 19th instant regarding the Machinery Certificates for the vessels of Messrs. Alfred Holt & Company's Fleet which are coming into class, and would inform you that the Machinery Certificates will be forwarded to the Owners when the first cycle of Machinery Survey is completed.

So far as I can recollect, the only one so far completed is the Motorship "ORESTES", in which case a Machinery Certificate was sent to the Owners on the 18th instant.

An account for £50 should have been sent with that Certificate, in accordance with my letter to them on the 7th March, 1951, a copy of which is enclosed for your information, and the necessary account is today being sent to Messrs. Alfred Holt & Company with a letter of explanation.

Yours faithfully,

Assistant Clerk to  
the Classification Committee.

The Secretary,  
LIVERPOOL.
