Dear Sir,

"UMTATA".

Swan, Hunter & Wigham Richardson, Ltd. Ship No. 1740.
Newcastle First Entry Refrigerating Report No. 101850.

With reference to the fees entered upon this Report and also upon the London Report regarding the Machines, we beg to state the Shipbuilders have drawn our attention to the fact that the capacity of the insulated chambers is 79,200 cubic feet only, and that the fees chargeable should therefore be amended from £12 to £9.

We should be obliged if you would arrange for the Reports to be corrected accordingly.

We are, Dear Sir,
Yours faithfully,
THE SURVEYORS,
