Dear Sirs,

I enclose herewith for your information and guidance the London R.M.C. Report No. 1325 on the refrigerating machines built by Messrs. J. & E. Hall Ltd., for Messrs. Swan Hunter & Wigham Richardson's No. 1740 vessel.

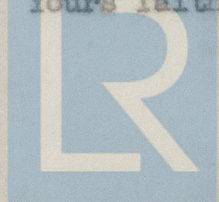

On completion of the vessel an account should be rendered for the total fee due, and, on payment, one-third, namely £4.0.0 will be due to this office, which I shall be glad if you will kindly note.

I have to add that I do not appear to have yet received the Special Survey Request Form in respect of this installation, and I shall be obliged if you will kindly arrange for this to be signed by the builders and forwarded to this office in due course.

I am, Dear Sirs,  
Yours faithfully,

Secretary.
