

FREEBOARD REPORT on the "WINNEBA" ex "UMGENI"

It is submitted the Freeboards given on the accompanying form, being those ^{conforming to a summer load draft of 25'-4 1/4"} required by the Tables, merit approval, the same to be marked on the vessel's sides, inserted in the certificate of classification, and recorded in the Register Book.

The vertical distance of the sill of the lowest side scuttle above the top of the keel should be forwarded to this office or if this is not available, its distance below the freeboard deck. This refers to the sidescuttles now reported on the C/I conts N92710

J.D.
