Dear Sir,

"BRUNA"

I duly received your letter dated 28th February concerning the class and freeboard position of the above named vessel. So far as the class side is concerned the position seems to have been covered already.

With regard to the freeboard I regret to say that Load Line Certificates have not been issued in this case, neither have copies of the Tonnage Certificate been issued.

I therefore enclose these documents for issue to the Owners and I shall be glad if you will extend our apologies for any inconveniences which has been caused to them by the belated issue of these Certificates.

Yours faithfully,

pro Secretary.

J.S. Jolly, Esq.,
LAS PALMAS.
