

"BRUNA"

If Owners request Reclassification  
IT IS SUBMITTED the Surveyor be advised that  
it is concluded that:-

1. full requirements of a SPECIAL SURVEY(C) have been complied with,
2. no major repairs have been effected to the structure since the ship was disclassified,
3. no structural arrangements have been carried out since the class lapsed.
4. also that full particulars of the equipment on board, including weights and tests of anchors, and length, diameter and tests of chain cable should be furnished for approval.

A complete Machinery Survey has been  
conducted  
and shaft renewed  
an additional bilge pump  
fitted  
in extinguishing arrangements  
accordance with Notice N° 2019 (Tr)

  
8.10.56.

The Owners should be advised that the torsional  
characteristics of the main propelling machinery  
have not been submitted for consideration and the  
Machinery Certificate will be endorsed accordingly
