(H).

Dear Sirs,

With reference to the case of the Motorship "BRUNA", I beg to inform you that when this vessel was classed in the Society's Register Book in May 1952 the Notation LMC 5,52 was assigned subject to the screwshaft being re-examined before the end of April 1953.

It is understood that this vessel is now your property, and in the circumstances I shall be obliged if you will kindly let me know, for the information of the Committee, what arrangements have been made for this matter to receive the necessary attention.

I may add that an additional bilge pump, stated to have been on board, also requires to be fitted at the first available opportunity.

It will be appreciated if you will kindly let me know whether the vessel is to retain her present name and also furnish me with particulars of her Port of Registry and Flag.

Yours faithfully,

COPY TO PUBS.
