17th April, 1953.

Dear Sirs,

H).  
With reference to the classification of the Motorship "BRUNA" in the Society's Register Book, I beg to remind you that when this vessel was under survey at Trieste in February/May 1952, the Society's Surveyors at that port recommended that the screw-shaft should be re-examined by the end of this month and I shall be obliged, therefore, if you will kindly let me know if you are in a position to furnish me with your proposals with regard to the carrying out of this inspection.

Yours faithfully,

Clerk to the  
Classification Committee.

Messrs. Zaban S.A.,  
Fez 9,  
TANGIER.
