TRIESTE.

"BRUNA". I am in receipt of your letter of the 23rd ultimo, the contents of which are noted. In the circumstances the vessel's machinery class has been continued subject to the screwshaft being re-examined before the end of 4, 53, but with an endorsement to the effect that an additional bilge pump (now on board) should be fitted at the first available opportunity. An amended First Entry Machinery Certificate will be forwarded to you in the course of a few
