Dear Sir,

M/V "BRUNA"

We have received your letter of the 20th instant enclosing Certificates of Classification on the Hull and Machinery of the above vessel.

It is noted that the class of the machinery has been made subject - inter alia - to the fitting of a small hand compressor. As, however, this is now on board, as mentioned in our letter to you of the 9th instant it is thought well to return the machinery certificate to you in order that the reference to this item may be deleted.

Yours faithfully

The Secretary
