proposal

Due to delay in the building of a new ship and the
Owners' intention to dispose of this tug in 12 months'
time, a further extension of class until then is desired
(6 months beyond the expiration of the year of grace in 9.61)
With this postponement in view, it is proposed to drydock
the tug for inspection. The tug is 49 years old.

il
endation

Submitted this tug be examined in dry dock and found
or placed in satisfactory condition for the desired period.
