QUESTION

ANSWER

With reference to your memorandum of the 13th November and my letter of the 1st December last, it is concluded that this ship is still laid up, but I shall be glad if you will confirm that this is so.

The Owners' attention should be drawn to the *STAR.B.* Screwshaft Survey, which becomes due at the end of September.

Date:— 22nd August, 1960.

We have now been informed by the Owners that this ship is still laid up at Venice and that all outstanding Surveys will be dealt with before the Vessel again proceeds to sea.

c.c. Venice.
