QUESTION

ANSWER

With reference to the Donkey Boiler Survey which became due so long ago as August last and which has been partly held, to complete this inspection for the record DBS 6.58 the exhaust gas economiser requires to be examined and its safety valves adjusted.

I shall be glad if you will ascertain from the Owners and let me know what arrangements have been made for the Donkey Boiler Survey to be completed.

Date:— Mestre (Venice) 17th February, 1959

The donkey boiler survey has been completed on the 5th December, 1958.

Please see our Rpt. No. 0231 and Classing letter (S) of the 9th January, 1959.

No economiser is fitted on board of this ship.
