# Lloyd's Register of Shipping.

Port

CALCUTTA

29th December 1950.

This is to Certify that

E. GRIEVES

the undersigned Surveyor to this Society did at the request of the Owners of the Steel Screw Steamer "JALAPADMA" of Bombay, examine the main engines now installed in this vessel during assembly in the shops and on board the vessel on the 27th October 1950, and subsequently and found all parts to be in good condition and showing no sign of deterioration as a result of being in store at Messrs. Scindias Shipyard, Vizagapatam.

This engine is identified as:-

Messrs. J.G. Kincaid & Co. Engine No. 791,

Built at Greenock 1949.

*E. Grievess*

Surveyor To Lloyds Register of Shipping,  
United With The British Corporation Register.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:-

"While the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly executed, it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances to be held responsible for any inaccuracy in any report or certificate issued by the Society, or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default or negligence of any of its Committees or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
