Dear Sirs,

S.S. "GEMMA".

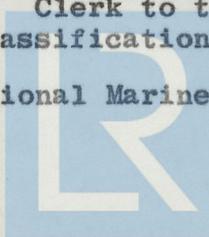

I acknowledge your letter of the 19th July, the contents of which have been noted, and would inform you that no objection will be taken to the Boiler Survey being postponed for a further three months until October, and trust that this period of postponement will meet your requirements.

I would remind you, however, that the class is subject, inter alia, to the starboard main engine L.P. cylinder upper port rib being examined by the end of August, and your intentions regarding this matter will be appreciated.

Yours faithfully,

Clerk to the  
Classification Committee.
