Dear Sirs,

Steamship "GEMMA"

The Report of the survey carried out by the Society's Penang Surveyor last month, on account of loss of equipment, has now received the consideration of the Committee.

As a result of this inspection the Committee have continued the vessel's class subject, inter alia, to a bower anchor being supplied at the earliest opportunity, and I shall be glad to learn what arrangement you propose to make in this respect.

Yours faithfully,

Deputy Clerk to the  
Classification Committee.
