Dear Sirs,

CLASSING LETTER

C.
DNS/DET

17622 "LORD BYRON". As recommended, a notation of CSM 3,63 having been assigned.

17558 "GEMMA". As recommended.

I shall be glad to learn the length of the new section of liner shrunk on the port screwshaft.

I have to point out that although a fresh notation of CS 2,63 has been assigned, the hydraulic pump of the steering gear should have been examined for this inspection.

Yours faithfully,

pro Clerk to the
Classification Committee

The Surveyors,
HONG KONG.
