Dear Sir,

Further to my letter of the 16th May last regarding Vinke & Co., whale catchers, we wish to confirm that the following vessels are laid up and no surveys have been carried out this year on them:-

Gerrit W. Vinke *P*

Albert W. Vinke *DD*

Eugene Vinke *D*

The Owners Representative states that it is possible that the Owners might not send an expedition to the whaling grounds next year depending on conditions, the vessels will continue to lay up and no surveys will be carried out meanwhile.

The Owners have decided to dispose of the Johanna W. Vinke as scrap but have not sold her to date, they will advise us of developments as soon as possible.

Regarding the other catchers mentioned in our letter, all surveys have been carried out and the vessels are now on their way to the whaling grounds.

Yours faithfully,

for the Surveyors.

The Secretary,
LONDON.
