Attention: Mr. Cook

Dear Sirs,

Subject: "CLAN MACAULAY"

Following our telephone conversation of to-day we shall be much obliged if you will kindly inform us of the requirements of your Society concerning the extension of the Hull and Machinery Special Surveys as well as the Boiler Survey for a period of 3-4 months i.e., until April, 1964.

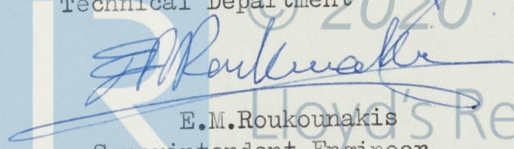

As it was explained to you our Owners expressed the wish to purchase the above ship and trade her for a very short time to the Far East thereafter the ship will be scrapped.

As the matter is rather pressing we shall very much appreciate your early attention and kindly request you, after you have studied the records of the ship, to inform us of your views by telephone as soon as possible.

Thanking you,

We remain,

Yours faithfully,
RETHYMNIS & KULUKUNDIS, LTD.,
Technical Department

E.M. Roukounakis
Superintendent Engineer.
