London, E.C.3.

Dear Sirs,

"CLAN MACAULAY"

We thank you for your letter dated 6th instant from which we note that while the above vessel was at Takoradi repairs were effected to the port cooling water pump engine following damage to the eccentric rod. (Rmc)

It is observed that the Surveyor recommends that this rod should be examined and dealt with on completion of the present voyage and before the end of next month. In this connection, we wish to advise you that at the moment the future of this vessel is uncertain but should it be decided to keep the vessel in service we will get in touch with you again at a later date regarding this matter.

Yours faithfully,
For THE CLAN LINE STEAMERS LIMITED
