We have to thank you for your letters dated 16th and 25th October in respect of this vessel and note all you write in connection with the damage to the port main engine L.P. cylinder. We also note that the main boiler and RMC Running Survey become due in November and that the Special RMC Surveys in December. In this connection we wish to advise you that this vessel has just recently arrived at a Continental port and is due to complete discharge at Hamburg about the 8th November.

Yours faithfully,
