

Mr. Eales. 'H' DEPT.

LOYD'S REGISTER OF SHIPPING

Ref attached

We have now received information here that the name of this ship is still "LANGTON GRANGE" and not "YESIMA". The case was due to go to Committee today, but has been withdrawn.

0.6

I am putting through a posting cancelling the change of name and reverting to original name of "LANGTON GRANGE". When this has appeared in the weekly list of alterations, could you please arrange for the case to be re-submitted to the Committee in the correct name please?
