# Lloyd's Register of Shipping.

CARDIFF

Ship's Name "LANGTON GRANGE".

Official No. 168991

Memorandum of alterations reported since ship was surveyed for assignment of Load Lines in

New W.C. fitted in after deck house with 4" dia. soil pipe discharging overboard below freeboard deck, fitted with G.M. automatic non-return valve at shell, port side, in steering gear compartment.

It is noted at this time that the coal shoot on casing top and coaling hatches on port and starboard sides of upper deck as detailed in original Load Line Report have been dispensed with at some previous date. No record of these alterations available on board.

The openings in the deck and casing top have been efficiently plated over.

A copy of the above has been placed on board the vessel
