NAVAL AND  
T. S. S. "RAZMAK".  
-----

It is submitted the P. & O. Steam Navigation Co. might be informed that the contents of their letter have been noted, and that the case will receive very careful attention.

Representatives of Messrs. Green & Silley Weir, Ltd., have called at this Office to-day, and have handed in plans showing the proposed alterations to the vessel, and these are now under consideration.

(Mr. Shaw, the Principal Surveyor on the London Outdoor Staff, was called into consultation with Mr. Silley, when the latter called this morning, and is fully aware of the circumstances of the case).
