s.s. "TASCALUSA"

Built 1942-2

Notation in R.B. "Surveys Overdue 9,59"

003971-003979-0313

SUBMITTED as the ship has not been seen in dry dock since 8,57 and laid up since November, 1958, it is considered that for the proposed voyage to Japan in ballast ^{as an unladen ship} the ship should be submitted to a Comprehensive General Examination in dry dock. ~~for a notation of 'S.E.' (Specially Examined) followed by the period for which the class is to be maintained, which should not need to exceed 2 months.~~
