

s.s. "TASCALUSA"

Built 1942-2

Notation in R.B. "Surveys Overdue 9,59"

SUBMITTED as the ship has not been seen in dry dock since 8,57 and laid up since November, 1958, it is considered that for the proposed voyage to Japan in ballast the ship should be submitted to a Comprehensive General Examination in dry dock for a notation of 'S.E.' (Specially Examined) followed by the period for which the class is to be maintained, which should not need to exceed 2 months.
