conditions
review

Last examination in drydock 8.57
Main Boiler Survey due 8.58
Special Survey due 9.59

On 26th November, 1958 it was stated that the tanker was laid up at Providence, Rhode Island. On 5th March, 1959, the ship remaining laid up, the Committee agreed to the class remaining undisturbed, providing the surveys then outstanding are carried out before she again proceeds to sea.

The ship is still laid up.
