LLOYD'S REGISTER OF SHIPPING,

GOTHENBURG C, 21st February, 1944

WOKINGHAM.

The Secretary,

LONDON.

Dear Sir,

I have to acknowledge the receipt of your letter dated the 28th ultimo informing me that the names of the undermentioned vessels have been placed upon the British Statutory List:-

- m.s. "SKANSEN"
- m.s. "SOLBRIS"
- m.s. "NORDANBRIS" ex "POLLUX"
- m.s. "OSTBRIS"
- m.s. "SUNNANBRIS"
- m.s. "WESTBRIS"

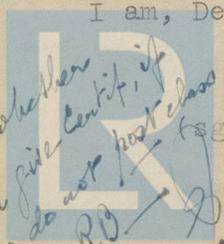

H.M. Consul-General at this port has been communicated with and has confirmed that no surveys can be held on these vessels by the Surveyors to this Society until further notice.

The Society's Offices in this country have been advised accordingly.

As regards the m.s. "SKANSEN", I think it well to state that the First Entry Report on this vessel was despatched by our previous mail and the fees were sent by the Builders before the Stockholm Surveyors had received our instructions. In these circumstances, and as the fees were in respect of work carried out before the vessel's name was placed on the Statutory List, the fees have been accepted and passed into the Society's account.

I am, Dear Sir,  
Yours faithfully,

(sgd) S. Townshend.
