Dear Sirs,

M. T. "JOAN"

I have to remind you that I have not yet received the copy of the boiler plan which was requested in my letter of November 25 last, and in previous correspondence.

We should not wish the class of the machinery to be in jeopardy, and I shall, therefore, be glad if you will kindly let me have this plan now.

Your very early reply will be appreciated.

Yours very truly,

W. G. Sibley
Secretary

I have no objection to your having access to the
information contained in the books of the Lloyd's Register
of Shipping, and to your using the same for the purpose
of your researches into the history of the
company and its operations.
