Dear Sir,

Motor Tanker "JOAN"

I duly received your letter of the 2nd September with enclosure regarding the drydocking of this ship and have to acquaint you that the Owners' request has been reported to the Committee today.

In reply, I am pleased to say that they have agreed to the drydocking being deferred until the end January/beginning February next, but in view of the time that has elapsed since the ship was last seen in drydock they desire it to be made clear to the Owners that they are not prepared to grant any further postponement beyond that now agreed.

Yours faithfully,

Deputy Clerk to the
Classification Committee.

The Secretary,
NEW YORK
