

27th February, 1963.

Dear Mr. Parsons,

In Mr. Cook's absence on account of illness, I have opened your letter to him of the 22nd instant, and have given instructions for the Docking Survey on the "PRESCODOC" to be cancelled.

I shall be glad if you will give us early advice if and when decision is made in regard to breaking up.

Yours sincerely,

N.R. Parsons, Esq.,
MONTREAL
