QUESTION.

ANSWER.

I shall be glad to learn what action is being taken in regard to the carrying out of the Lake Special Survey and Annual Classification Survey which became due at the end of last month and the Boiler Survey which became due in March last.

At the same time I would remind you that the vessel's class is subject to the propeller being backed off shaft and examined at the next dry docking.

L.R.

Date:— MONTREAL, P.Q. 5th July, 1950

We have been informed that this Vessel wintered at Milwaukee and the surveys carried out by Surveyors to the American Bureau whose Reports are awaited.
