With reference to your letter and enclosure of the 4th April, I shall be glad to learn what arrangements have now been made for the Special Survey to be carried out.

The Boiler Survey will become due at the end of July, and the Screwshaft Survey at the end of October.

Date:- 29th May, 1963.

The trawler is laid up here and the Owners state that they do not anticipate the vessel returning to service.

We have requested to be kept informed of any decision affecting the vessel's future and shall advise you accordingly on receipt.
